1 Basis of preparation of interim financial report

This interim financial report for the half-year ended 31 December 2023 has been prepared in accordance with the *Corporations Act 2001* and Australian Accounting Standard AASB 134 *Interim Financial Reporting*.

This interim financial report does not include all the notes of the type normally included in a set of annual financial statements. Accordingly, this report should be read in conjunction with the annual financial statements for the reporting period ended 30 June 2023.

The financial statements were authorised for issue by the Directors on 12 March 2024. The Directors of the Responsible Entity have the power to amend and reissue the financial statements.

The accounting policies adopted are consistent with those of the previous financial year and the corresponding interim reporting period except for the adoption of any new and amended standards as set out below.

Compliance with International Financial Reporting Standards

Compliance with AASB 134 ensures that the interim financial report of the Fund, comprising the financial statements and notes thereto, complies with International Accounting Standard IAS 34 *Interim Financial Reporting*.

(a) New and amended standards and interpretations adopted by the Fund

There are no new accounting standards, interpretations amendments to existing standards that are effective for the first time for the period beginning 1 July 2023 that have a material impact on the amounts recognized in the prior periods or will affect the current or future periods.

(b) Impact of standards issued but not yet applied by the Fund

There are no new accounting standards, interpretations and authoritative pronouncements that are expected to have a material impact on the Fund.

Notes to the financial statements
For the half-year ended 31 December 2023
(continued)

2 Net assets attributable to unitholders

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Units are redeemed on demand at the unitholders' option. The holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within twelve months after the end of the reporting period cannot be reliably determined.

Movements in the number of units and net assets attributable to unitholders during the half-year were as follows:

	For the half-year ended			
	31 December	31 December	31 December	31 December
	2023	2022	2023	2022
	No. '000	No. '000	\$'000	\$'000

3 Distributions to unitholders

The distributions for the half-year were paid as follows:

	For the half-year ended			
	31 December	31 December	31 December	31 December
	2023	2023	2022	2022

Total financial assets at fair value through profit or loss	31,225	31,032

5 Fair value measurement

The Fund is required to classify fair value measurements using a fair value hierarchy that reflects the subjectivity of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices); quoted prices for similar securities in active and/or inactive markets; market-corroborated inputs; inputs that are developed based on available market data and reflect assumptions that markets would use when pricing similar securities.
- Level 3: Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes "observable" requires significant judgement by the Responsible Entity. The Responsible Entity considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

The table below sets out the Fund's financial assets measured at fair value according to the fair value hierarchy at the reporting date.

All fair value measurements disclosed are recurring fair value measurements.

	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
As at 31 December 2023				
Financial assets at fair value through profit or loss				
Listed securities	<u>31,225</u>	-	-	<u>31,225</u>
Total	<u>31,225</u>	-	-	<u>31,225</u>
	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000
As at 30 June 2023				
Financial assets at fair value through profit or loss				
Listed securities	<u>31,032</u>	-	-	<u>31,032</u>
Total	<u>31,032</u>	-	-	<u>31,032</u>

The pricing for the majority of the Fund's investments is generally sourced from independent pricing sources, the relevant Investment Managers or reliable brokers' quotes.

Investments whose values are based on quoted market prices in active markets, e.g. recognised stock exchanges, and therefore classified within level 1, include active listed securities and exchange traded derivatives.

Financial instruments that trade in markets that are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within level 2. The observable inputs include prices and/or those derived from prices.

Level 2 investments could include those that are not traded in active markets and/or are subject to transfer restrictions (e.g. redemption restrictions). Valuations for these investments may be adjusted to reflect illiquidity and/or non-transferability, which are generally based on available market information. Typically, prices of units in unlisted managed investment trusts that are either published on the investment manager's website and/or circulated among market participants as executable quotes are categorised as level 2.

5 Fair value measurement (continued)

Investments classified within level 3 have significant unobservable inputs, as they are infrequently traded. Level 3 instruments include certain unlisted unit trusts and corporate debt securities. As observable prices are not available for these securities, valuation techniques are used to derive fair value.

Where a valuation model technique is used, the Responsible Entity considers other liquidity, credit and market risk factors, and adjusts the model as deemed necessary.

There were no level 2 or level 3 instruments as at 31 December 2023 (30 June 2023: Nil).

There were no transfers between any levels as at 31 December 2023 (30 June 2023: Nil).

6 Events occurring after the reporting period

No significant events have occurred since the end of the reporting period which would impact on the financial position of the Fund as disclosed in the statement of financial position as at 31 December 2023 or on the results and cash flows of the Fund for the half-year ended on that date.

7 Contingent assets and liabilities and commitments

There are no outstanding contingent assets, liabilities or commitments as at 31 December 2023 and 30 June 2023.

Directors' declaration
For the half-year ended 31 December 2023

Directors' declaration

In the opinion of the Directors of the Responsible Entity:

- (a) the financial statements and notes set out on pages 5 to 13 are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Australian Accounting Standards as it relates to AASB 134 *Interim Financial Reporting*, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the Fund's financial position as at 31 December 2023 and of its performance, as represented by the results of its operations and cash flows, for the half-year ended on that date; and
- (b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable;
- (c) the financial statements are in accordance with the Fund's Constitution.

This declaration is made in accordance with a resolution of the Directors.

Independent Auditor's Review Report

To the Unitholders of Perennial Income Generator Fund (Managed Fund) (formerly eInvest Income Generator Fund (Managed Fund))

Conclusion

We have reviewed the accompanying **Interim Financial Report** of Perennial Income Generator Fund (Managed Fund) (formerly eInvest Income Generator Fund (Managed Fund)) (the Scheme).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Interim Financial Report of Perennial Income Generator Fund (Managed Fund) (formerly eInvest Income Generator Fund (Managed Fund)) does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Scheme's financial position as at 31 December 2023 and of its performance for the **Interim Period** ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Interim Financial Report** comprises:

- Statement of financial position as at 31 December 2023;
- Statement of profit or loss and other comprehensive income for the Interim Period ended on that date;
- Notes 1 to 7 comprising material accounting policies and other explanatory information; and
- The Directors' Declaration.

The **Interim Period** is the 6 months ended on 31 December 2023.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report.

We are independent of the Scheme in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of the Directors for the Interim Financial Report

The Directors of Perennial Investment Management Limited (the Responsible Entity) are responsible for:

- the preparation of the Interim Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*; and
- for such internal control as the Directors determine is necessary to enable the preparation of the Interim Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the Interim Financial Report

Our responsibility is to express a conclusion on the Interim Financial Report based on our review. *ASRE 2410* requires us to conclude whether we have become aware of any matter that makes us believe that the Interim Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Scheme's financial position as at 31 December 2023 and its performance for the Interim Period ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of Interim Period Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
